

Dear Rebecca

I hope this letter finds you in good health and high spirits. I am writing to express my heartfelt gratitude for the unwavering support and dedication that you have shown towards our shoebox campaign.

As the CEO of Children in Distress, I am constantly inspired by the generosity and compassion of individuals like you. Your commitment to making a positive impact to the lives of those less fortunate is truly commendable. Through your support, we have been able to bring smiles to the faces of countless individuals who are in need.

The success of our shoebox campaign would not have been possible without your invaluable contribution. Your willingness to donate shoeboxes filled with essential items, toys, and heartfelt messages has made a significant difference in the lives of those who are less fortunate. Your kindness has not only provided them with much-needed supplies but has also given them a sense of hope and reassurance during challenging times.

I am truly grateful for the time, effort, and resources that you have dedicated to this campaign. Your support has not only strengthened our relationship but has also reinforced our shared commitment to making a positive impact in our community. Together, we have demonstrated the power of collective action and the ability to bring about meaningful change. Together we have sent to Romania 4600 shoeboxes for the benefit of many Romanian families and children, thank you for the part you played.

On behalf of the entire Children in Distress team, I extend my deepest appreciation to you for your unwavering support. Your generosity has touched the lives of many, and we are honoured to have you as a supporter/donor in our mission to create a better world.

Once again, thank you for your incredible support. We look forward to continuing our relationship and working together to make a lasting difference in the lives of those in need.

With sincere gratitude,

Simon Errington
