

# Wilf's Training

Answers:

If you are getting a dog what should you have to get. Lead, Coat, Treats, Food, Shelter, ETC.

I am proud of him and I will always will be.

He has passed by 275 marks out of 276, down and Leave it was quite hard for him but he got 55 out of 60 seconds. Down means where you point at the floor and the dog lays down, and leave it, means do not eat it and wait for the word "Take it". This is write by Alfie 9N1.
